

JMCJ/NOTICE 2018/241

To : All Residents
Date : 06.12.2018
Subject : Throwing Objects/Substances from Balconies and Windows

Dear Residents,

Residents are reminded that it is extremely dangerous to throw anything from a balcony or window. With recent incidents the objects and substances that have been thrown off balconies or windows have landed somewhere, and therefore has the potential to cause more damage and serious harm to the residents on the lower floors.

All residents have a responsibility of care for fellow residents.
